**ERRATA OF AT&T CORP.
TO JOINT DECLARATION OF
CATHERINE E. PITTS AND MICHAEL R. BARANOWSKI
FILED JULY 17, 2002**

AT&T has discovered an error in the Joint Declaration of Catherine E. Pitts and Michael R. Baranowski accompanying AT&T's July 17 Comments in this proceeding. Page 13, Footnote 14, of the declaration currently reads: "BellSouth's workpapers GA5ESS99.xls and GADMS99.xls show the current processor utilizations for each switch." The footnote should be changed to read: "Average Processor utilization is calculated by the SCIS/MO model based on user inputs. The average processor utilization calculated result can be viewed on the Unit Investment Report produced by the SCIS/MO model."

This correction affects both the confidential and public (redacted) version of the Declaration. Corrected pages are enclosed.

Respectfully submitted,

/s/ Mark C. Rosenblum
